**Summary:** The Child Care and Development Services Act administered by the State Department of Education, requires the Superintendent of Public Instruction to administer child care and development programs. Current law authorizes funds appropriated for purposes of the act to be used for child care resource and referral programs, which may be operated by public or private nonprofit entities and are required to provide certain information and services to parents and child care providers relating to child care services in a defined geographic area. This bill would, until July 1, 2022, require the department to establish and administer a pilot program to provide outreach, training, and technical assistance to license-exempt child care providers through county child care resource and referral programs.

**Current Text:** Vetoed: 10/15/2017 [Text](#)

**Status:** 10/15/2017-Vetoed by the Governor

**Summary:** Under the Medi-Cal program, similar services, known as personal care option services, are provided to eligible individuals. The Medi-Cal program also defines "waiver personal care services" to mean personal care services authorized by the State Department of Health Care Services for persons who are eligible for either nursing or model nursing facility waiver services. Current law authorizes a county board of supervisors to contract with a nonprofit consortium or to establish a public authority to provide in-home supportive services. This bill would additionally authorize a county board of supervisors to contract with a nonprofit consortium or to establish a public authority to provide waiver personal care services.

**Current Text:** Vetoed: 10/2/2017 [Text](#)

**Status:** 10/2/2017-Vetoed by Governor.

**Summary:** The Elder Abuse and Dependent Adult Civil Protection Act provides for the award of attorney's fees and costs to, and the recovery of damages by, a plaintiff when it is proven by clear and convincing evidence that the defendant is liable for physical abuse or neglect, and the defendant has also been found guilty of recklessness, oppression, fraud, or malice in the commission of that abuse. **AB 935 (Stone, Mark D) Juvenile proceedings: competency.**

**Current Text:** Vetoed: 10/13/2017 [Text](#)

**Status:** 10/13/2017-Vetoed by Governor.

**Location:** 10/13/2017-A. VETOED

**Summary:** Upon suspension of proceedings, existing law requires the court to order that the question of the minor's competence be determined at a hearing. Current law requires the court to appoint an expert, as specified, to evaluate whether the minor suffers from a mental disorder, developmental disability, developmental immaturity, or other condition and, if so, whether the condition or conditions impair the minor's competency. This bill would revise and recast these provisions to, among other things, expand upon the duties imposed upon the expert during his or her evaluation of a minor whose competency is in doubt, as specified.
