RE: State Budget Update #6 – Budget Subcommittees Complete Action

The Assembly and Senate Budget Subcommittees have completed their actions on the Governor's budget. Attached is a comprehensive summary of actions taken by each house on issues of interest for county human service agencies.

As you can see from the chart, both houses took the same action on a number of our issues, keeping them off the Budget Conference Committee agenda. However, these issues could be re-opened for further discussion and action in the Budget Conference Committee or as part of budget negotiations between Legislative leadership and the Governor.

The Budget Conference Committee is scheduled to begin reconciling the differences between the Assembly and Senate actions on Thursday. The Budget Conference Committee agenda is being finalized and we will send a link to as soon as it is available. The Senate Budget Conferees are: Senators Denise Ducheny (Senate Budget Committee Chair), Dennis Hollingsworth (Senate Budget Committee Vice-Chair) and Mike Machado (Senate Budget Subcommittee No. 4 Chair). The Assembly Budget Conferees include: Assembly Members John Laird (Assembly Budget Committee Chair) and Roger Niello (Assembly Budget Committee Vice-Chair). The final Assembly conferee has yet to be named but there is speculation that it will be Mark Leno (Assembly Appropriations Committee Chair).

We will keep you posted and will let you know when your assistance will be needed.
