***California State Chapter of the
National Eligibility Workers Association:
Professionals Associated Through Human Services***

I am delighted to extend my greetings to everyone gathered to observe Eligibility Professional Recognition Week at your annual training conference.

California's strength is found in the service our citizens give to one another, and eligibility workers offer valuable assistance that often goes unrecognized. I thank you for your efforts to help your fellow Californians through training, employment programs and other vital services. Your work changes lives and represents the professionalism and integrity that define our great state

My thanks go to all those who made this event possible. This conference is a wonderful opportunity to come together and network with your fellow colleagues, while receiving the latest tools to allow you to better serve your communities.

Please accept my very best wishes for a productive conference and every future success.

Sincerely,
