# 1 JOBLINK

saves you time  
and money

Advertising in the newspaper can be expensive, but with just one phone call, you will be connected to trained employment specialists who will advertise and market your job openings *at no cost to you.*

We can save you time and money by marketing your current job openings at more than 50 different:

- Job search workshops
- Career centers
- Employment service providers
- Training centers throughout Sacramento County and surrounding communities.

## You control the hiring process.

You'll also be invited to attend our "Job Talk" workshops for job-seekers to discuss your hiring needs and meet prospective applicants.

# 3 JOBLINK gets results

We receive nearly 17,000 employment inquiries per year from job-seekers calling our 24-hour job line. And more than 15,000 attended recent Sacramento County-sponsored employment workshops, job fairs and special recruiting events.

We have helped hundreds of employers in the Sacramento area fill their job vacancies and in the process have put thousands of job-seekers to work.

**If you have jobs in need of qualified people, call us.**

For no-cost services call JobLINK today and tell us how we can help you.

## Take advantage of employer tax credits

Our employment specialists can show you how to take advantage of tax credits designed for employers like you. Call us for more information.

# 2 JOBLINK markets your jobs

We create job listings that get noticed by those with the skills and qualifications you're looking for. Each listing has detailed information about job requirements, salary and the application process, and we'll even pre-screen those applicants referred to you.
