RE: State Budget Update #5 – Governor Signs Budget

At a signing ceremony this morning attended by CWDA staff, the Governor signed AB 110, the main 2013-14 budget bill. He also signed into law the two Extraordinary Session bills, ABX1 1 and SBX1 1, which implement key aspects of eligibility policy related to the health care expansion, primarily related to Medi-Cal.

The Governor has yet to sign the health and human services related budget trailer bills, including: AB 74, the human services trailer bill; AB 82, the health trailer bill; AB 85, the trailer bill containing the Medi-Cal expansion/county savings calculations/1991 realignment changes; and SB 94, the Coordinated Care Initiative trailer bill. He is expected to sign these in the coming days.

There were no vetoes of funding from health or human services this year.

A complete list of the Governor's line item vetoes and a summary of the enacted budget can be found at the following link:
