.1 Out-of-county placements shall be subject to the provisions of Welfare and Institutions Code Sections 361.2(c) and (d).

## HANDBOOK BEGINS HERE

.11 These statutes provide that children shall be placed in their parents' or guardians' county of residence unless they are placed with relatives or there is no suitable placement in such county, and provide for a notification process to parent(s) or guardian(s). **HANDBOOK ENDS HERE** 

.12 Under such circumstances, the following requirements shall be met:

.121 The sending county shall be responsible for providing direct supervision and services or arranging for the provision of supervision and services by the receiving county in accordance with Section 31-505.123.

(a) The sending county shall specify in the case plan how the service needs of the child, including social worker visitation/contact requirements, are to be met while the child is placed out-of-county.

.122 The sending county shall be responsible for services to the child's parent(s)/guardian(s) and continued case plan updates.

.123 If the receiving county accepts responsibility for providing supervision and services, the following requirements shall be met:

(a) A written agreement shall be executed between the receiving and sending counties which specifies the respective responsibilities of each county.

(b) The receiving county shall provide periodic written reports to the sending

county on the child's condition and progress in order to facilitate required case plan updates.

(c) The receiving county shall concur that the proposed placement meets the child's needs.

(d) The sending county shall provide consultation and advice on the case, as needed.
