CWDA is looking for an array of presentations across policy and program areas that will educate and inspire attendees to improve how children, families, seniors and all Californians are served.

Deadline for submissions: Friday, April 20 COB.

Please note the following before submitting:

- You must list the names, emails, titles and organizations of at all panelists who will be involved in the presentation. This is required for submission.

- No more than four panelists will be allowed per presentation for panel sessions that are accepted into the event program.

- Sessions with only one proposed speaker are discouraged.

- Presenters who are county human services staff who would have otherwise attended the CWDA Conference will be expected to pay the full registration fee as well as travel costs if they are selected to present. CWDA covers travel cost of non-county speakers and allows those non-county speakers to attend sessions on the day of their presentation only, but encourages non-county speakers to attend the entire conference at a reduced rate.
