Four Steps to Success

Protecting Your Public Assistance Disaster Funding

1. Procurement
2. Environmental
3. Scope of Work
4. Record-keeping

For more information about preserving Public Assistance funding, contact the California Governor’s Office of Emergency Services at:

Claimed costs must be compiled on a per project basis.
Specified program deadlines, e.g., work-related deadlines and appeals for net small project overruns (NSPO) must be met.
Payroll records for each employee must account for all daily disaster-related activities performed, with time sheets signed and certified by the employee and supervisor.
Source documentation, such as paid invoices, contracts, change orders, is required for all funding expenditures.
Funding recipients must be monitored.
Comprehensive records retention is required.
