Coalition Against Sexual Exploitation

A Collaborative Effort to Address the Commercial Sexual Exploitation of Children in San Bernardino County
“A plea to help a young victim of child prostitution”
by Wesley Hughes, San Bernardino Sun, 3/22/09

“…It was the first public meeting of the Coalition Against Sexual Exploitation, which had been established by District Attorney Michael A. Ramos. He said he had heard enough of my harping for a leader to come forward in the campaign against child sexual abuse, so he decided to be that leader.

When you look at it, DeAndra, that whole dang meeting was about you…”
