Monthly Safety Net Meetings

- Multidisciplinary Team facilitated by the DA’s Office two times per month
- Team includes representative from DFCS, Probation, Law Enforcement, FBI, DA’s Office, LACY, CBO’s providing services to this CSEC
- Discuss specific youth identified by government agencies or CBO’s believed to be exploited to develop a plan of action and ensure victim safety.
Custody and Intake

- SCC in most instances seeks to avoid detention unless the youth requires immediate medical attention, there is an arrest warrant unrelated to their exploitation, or in immediate danger of physical violence and no appropriate alternative is available to maintain their safety.

- In most instances, Law Enforcement will call DFCS for Joint Response.
Case Management & Services

- Shift from Juvenile Probation to Child Welfare or CBO’s with Victim Advocates
- More CBO’s are developing expertise serving CSEC
- Placement continues to be challenging
